## HOW CAN I REFER NEW RENTERS?

***Refer new Renters so both of you get a £15 credit to be used for your next Getaround rental!***

### **Who can participate?**

The Member who wishes to refer one of his/her contacts (the “**Sponsor**”) must be a natural person who, on the date of his/her referral, must already have an account as a Car Owner or Renter on the Platform and have completed at least one rental in the last twelve (12) months (i.e. if he/she is a Renter: have made at least one rental during that period / if he/she is a Car Owner: have rented his/her vehicle at least once during that period).

To be a valid new Renter according to the Referral Renters Program, the Sponsor’s referred contact shall, on the date of registration:

- not have an account on the Platform, and

- be at least 21 years old in Belgium, Germany, Spain, Austria and the UK / 18 years old in France, and
- not be living in the same household as the Sponsor (i.e. not have the same name or address).

The person fulfilling all of these requirements is hereafter named the “**Referred Renter**”.

### **How does it work?**

The Referral Renters Program works as follows:

- The Sponsor shall log-in on the Platform, access the section entitled “Get £15 credit” through the menu of his/her account, and click on “Invite friends” to generate a referral link (the “**Referral Link**”).
- The Sponsor shall share the Referral Link with his/her contact willing to become a Renter on the Platform;
- The Referred Renter shall click on the Referral Link enabling the creation of a Getaround account;
- Providing the Referred Renter’s account on the Platform is valid and compliant with Getaround’s TOS, the Referred Renter and the Sponsor will both get a £15 (fifteen pounds) credit added to their account (the “**Credit**”) under the following conditions:
  - the Referred Renter will receive Credit valid for twelve (12) months following the date of the Referred Renter’s registration on the Platform. The Credit will be automatically deducted from the price of the first rental of the Referred Renter.
  - Once the Referred Renter has completed his/her first rental, the Sponsor will also receive a Credit which will be applied to the Sponsor’s account and will be directly deducted from his/her next rental (if the Sponsor is registered on the Platform as a Car Owner only, he/she must complete his/her profile as a Renter by providing the requested information and documents in order to benefit from the Credit on his/her first rental).  
A rental will be considered as completed and valid if (the “**Completed Rental**”):
    - The rental is not cancelled by either the Car Owner, the Renter or by Getaround (notably following the Referring Renter’s profile verification), and;
    - The Car Owner is not living in the same household as the Sponsor or the Referred Renter (not the same name or address).

### **What are the restrictions?**

The Sponsor is allowed to refer up to five (5) Referred Renters per sliding month.

The Credit cannot be redeemed in exchange for cash or transferred to another Member. They cannot (without limitation) be used at any point to pay for a franchise option selected at a later date, for any outstanding debt, penalties, costs, generated by any incident or any other potential charges.

Credit available in euros (€) can only be used for rentals in Euro zone countries. Credit available in GBP (£) can only be used for rentals in the United Kingdom. In addition, the Credit cannot be converted from one currency to another.

The Member will always have to pay £1 (one pound) for his/her rental for insurance purposes, even if the Credit amount is above the rental value.

The Referral Link must not be published or distributed through public means (such as coupon website, Reddit, or Wikipedia) where there is no reasonable basis for believing that all or most of the recipients are personal friends or family members. In this respect, Getaround reserves the right to request proof of the Referral Link received by the Referred Owner in order to verify that the Referred Renter and the Referring Renter complies with the T&Cs.

### **How does it work?**

The Referral Owners Program works as follows:

During this call, the Referred Owner will have to communicate the Referral Code to Getaround’s customer service agent;
- Getaround Connect shall be activated within thirty (30) days from the date of the communication of the Referral Code by the Referred Owner to Getaround’s customer service agent.

Getaround Connect can only be activated if (i) the Telematic Box has been installed in the Vehicle and (ii) if the listing of the Vehicle on the Platform has been correctly completed. The listing of the Vehicle is considered to have been made if all the following conditions have been met:

- the Referred Owner will receive a voucher to be used on Amazon and worth £50 (fifty pounds).

The duration of validity and any conditions of use of the vouchers received by the Referred Owners and the Sponsoring Owner (the "**Vouchers**") are defined by Amazon, without Getaround being liable towards the Referred Owners or the Sponsoring Owner in that regard;

### **What are the restrictions?**

The Sponsoring Owner is allowed to refer up to three (3) Referred Owner per year.

The Vouchers will have an expiration date determined by Amazon only, the Sponsoring Owner, and the Referred Owner will be sole responsible for using their Vouchers before that expiration date.
